Clair:

I have a strong sense that you and the other DDs would like the Executive Committee and its various appendages to work a little more crisply. We have the opportunity to do just that in the forthcoming scheduled meeting on OTE's proposed/revised CT Program. I would like to suggest that we have the meeting in my office. Shirt-sleeves are appropriate. I would like to ask Harry to bring whomever he needs to help us decide what we are going to do. Otherwise, straphangers are discouraged. Thanks.
